

Season of Creation

Prayers of intercession

May we grow in consciousness of the great
gift of creation and all of its elements

Lord of Creation, hear our prayer

May we deepen our gratitude for the common home in
which we live and may we grow in openness to more just
ways of caring for it

Lord of Creation, hear our prayer

May we take up our responsibility in this time of
ecological crisis to live within creation wisely,
sustainably, justly and reverently

Lord of Creation, hear our prayer

We pray for forgiveness for our own part in the sins
against creation and for patience in forgiving others

Lord of Creation, hear our prayer
