

# HEAR THEIR CRY

## RESPOND IN LOVE

Thousands of women and girls in the Democratic Republic of Congo need your help right now. Decades of conflict and chaos have left a legacy of brutality and lawlessness in society. Today, many thousands of women and girls continue to be left brutally injured, traumatised, isolated and in urgent need of assistance.

Your donations will help SCIAF's life changing work around the world, with matched funding from the UK government transforming the lives of women affected by sexual violence in the Democratic Republic of Congo.
