

# Season of creation

## Parish guide

The Season of Creation is an ecumenical season dedicated to prayer and action on the protection of creation. Use these SCIAF resources to help guide your prayer, reflection and advocacy for our common home.

Please join SCIAF on Monday 4th October at 7pm for our online event **Season of Creation: it's time for a just and green world**. We will be reflecting on, and sharing how, communities are putting the call to care for creation into practice in their schools and parishes. Check our website for the link or email us at [getinvolved@sciaf.org.uk](mailto:getinvolved@sciaf.org.uk)
