

SCIAF in your Primary school 2021/22

The Scottish Catholic International Aid Fund is the international development and relief agency of the Bishops' Conference. We work to help the poorest free themselves from poverty and injustice.

We are committed to our mandate from the Bishops' Conference that we should educate young people in Scotland about global justice and international development. We provide development education resources linked to the Curriculum for Excellence and This Is Our Faith which encourage pupils to put their faith into action.

School Visits

We hope to resume school visits this term, depending on restrictions. We'll be monitoring the situation and following government guidelines.

We tailor our visits to your needs and can include workshops on:

- WEE BOX and school fundraising
- SCIAF's work and our inspiration
- Care for creation.

WEE BOX

Thank you for your continued support over a difficult 18 months.

We are delighted to share that schools were part of raising an incredible amount of money during Lent 2021 and showed solidarity in prayer and learning. Next year's WEE BOX Lenten materials will be online, and coming in the post, early 2022!

You can contact us now to put dates in the diary for WEE BOX visits to the classroom or an assembly. Please email schools@sciaf.org.uk

Examples of 'Faith Actions' that can be found in SCIAF activities are:

- Find out about someone your age living in a poorer country and compare your lives
- Contribute to charity with your time
- Respect for creation and prayers of thanks for the gifts of creation.

Emergency Response Resource

Our resource for upper primary looks at SCIAF's response during an international crisis.

The two lessons will help you explore SCIAF's emergency work, the impact of natural disasters on people and planet, and how we're called to care for creation.

After you have completed the lessons in the resource pack, SCIAF will visit with a giant board game. The interactive game is designed to help pupils understand the impact of a natural disaster and SCIAF's response.

Water is life resource

This P5 resource looks at key teachings on the sacredness of water in Scripture and provides case studies from SCIAF partners in Ethiopia on how they are coping with the global water crisis.
